

# Ingram Readymix Inc.

February 15, 2016

In 2011, Ingram Readymix began incorporating a fuel surcharge to all orders. Effective April 1, 2016, the surcharge will be determined in accordance with the following schedule.

<b>Average Diesel Price</b>		<b>Surcharge</b>
\$0.000 - \$3.000	per gallon	\$ 0.00
\$3.001 - \$3.250	per gallon	\$ 5.00 per load
\$3.251 - \$3.500	per gallon	\$ 10.00 per load
\$3.501 - \$3.750	per gallon	\$ 15.00 per load
\$3.751 - \$4.000	per gallon	\$ 20.00 per load
\$4.001 - \$4.250	per gallon	\$ 25.00 per load
\$4.251 - \$4.500	per gallon	\$ 30.00 per load
\$4.501 - \$4.750	per gallon	\$ 35.00 per load
\$4.751 - \$5.000	per gallon	\$ 40.00 per load

**Average Diesel Price** will be determined on the first day of each month and maintained for the remainder of the entire month. **Average Diesel Price** will be defined as the “Weekly Gulf Coast No 2 Diesel Ultra Low Sulfur (0-15 ppm) Retail Sales” reported by U.S Energy Administration at [www.eia.doe.gov](http://www.eia.doe.gov) for the last week of the previous month.

All loads will be subject to the per load surcharge regardless of load size.

Respectfully,

Earl Ingram, Ph.D., P.E.  
President
